SENIOR CLASS PARENT & GUARDIAN QUESTIONNAIRE

Student Name: _____ Parent/Guardian Name(s):_____

Parent/Guardian e-mail: _____

Dear Parent(s) and Guardian(s) of the class of 2009,

Please respond to any or all of the following questions. Be funny, be serious, be honest, be proud. The more we know, the better able we will be to guide your senior through the college application process. (If you wish to use more space than is provided, please feel free to add additional sheets of paper.) We hope that you will share your responses with your student. However, if there is information you wish to have remain confidential, please note accordingly. When completed, please either send it in with your student or mail it directly to the Guidance Office, 55 Coe Drive, Durham, NH 03824. Thank you.

1. What qualities or accomplishments of your student's would you most like colleges to know about?

2. What do you see as your student's weaknesses, or areas in need of further development?

3. Are there any anecdotes you might share with us that reveal your student's personal qualities, strengths, and accomplishments?

4. Are there one or two major events you see as turning points in your student's development? If so, please describe them and explain why you view them as such.

5. What have been the best and the worst aspects of your student's experiences at ORHS?

6. Has your student faced any personal challenges or difficult experiences, i.e. family situations, moves, illnesses, losses, you wish to share with us?

7. Is there anything special in the educational background or development of your student that needs explaining—learning disability, language other than English spoken at home, foreign schooling, repeating a year, etc.

8. Are there any particular colleges that you have thought about for your student? If so, please list them below and explain why you feel these schools represent the most appropriate matches.

9. Are there certain areas of study or perspective college majors you feel would be a most suitable fit for your student?

We really appreciate your input. It will be very helpful.
